

# Dunkettle Progress Update

*17th May 2019*

## **Dunkettle Interchange Project:**

*Upgrade Dunkettle to a largely free-flow interchange to alleviate traffic congestion.*

**More information at [www.dunkettle.ie](http://www.dunkettle.ie)**

### *Layout of upgraded Dunkettle Interchange*

- The main advance works items on the project have now been completed and the current focus is on detailed design.
- Remaining minor advance work items including protective slabs to the gas main west of the Pfizer premises and water main diversion works in association with Irish Water/Cork County Council will be progressed over the coming period.
- Members of the public who are interested in obtaining additional information on the scheme are invited to visit the site office at Inchera, Little Island. If this is of interest, please contact us using the contact details below.

As always, if there are any queries or comments in relation to any of the work items set out herein please contact us on 1800 810077 (at any time), on 0212021143 (during normal working hours) or on [roadconstruction@ccc-site.com](mailto:roadconstruction@ccc-site.com). Further information on the Dunkettle Scheme can be accessed at [www.dunkettle.ie](http://www.dunkettle.ie). Real time traffic information can be accessed via [www.dunkettletraffic.ie](http://www.dunkettletraffic.ie) and further details on all national road schemes in the Cork area can be accessed via the Cork National Road Design Office website, [www.corkrdo.ie](http://www.corkrdo.ie).
