Website

- Site reopened as planned on Tuesday the 3rd of January 2023. Surfacing works, in various areas of the site will recommence from Monday the 16th of January 2023.

- Motorists are again reminded that speed control measures, coupled with CCTV monitoring are in place across the site and will remain in place over the coming months.

- The ground improvement/piling works in area west of Structure St05 have reached completion and the relevant equipment is currently being demobilised from site – see photograph below from the December update.

**Ground Improvement/Piling Works ongoing in the Interchange Roundabout area west of Structure St05.**

- The bridge beams at Structure ST08 were placed under night-time working in the weeks leading up to Christmas as planned – see photograph below.

**Beam Placement at Structure St08.**

- Bridge beams have yet to be placed at Structure St03 and St04. The next beams to be placed are at Structure St04 and we hope to place these during week commencing Monday 06th February 2023 – see photograph below.
